

Cloudcampus User Guide

Student Menu

1 INTRODUCTION

Here is the **Main Menu** of Cloudcampus:-

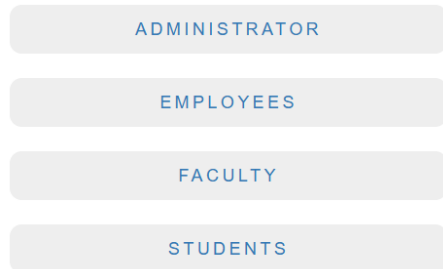

Figure 1

A student can click **STUDENTS**, and login, whereupon he / she is presented with the **Student Menu**:-

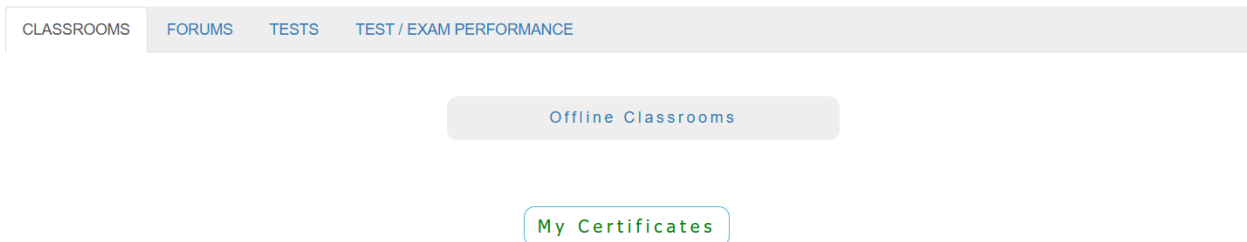

Figure 2

As can be seen, under the **CLASSROOMS** tab, there is only one button, viz., **Offline Classrooms**, by clicking which, the student can access each and every Offline Classroom created by the faculty teaching each of the courses currently being taken by himself / herself.

2 FORUMS TAB

Figure 3

Under the **FORUMS** tab, there is only one button, viz., **Subject Forums**, by clicking which, a student can access a Subject Forum for a course being currently taken by himself / herself. A student can make 3 types of posts in a Subject Forum:-

1. Post a question
2. Post an answer to a question posted by a fellow-student
3. Post a comment

3 TESTS TAB

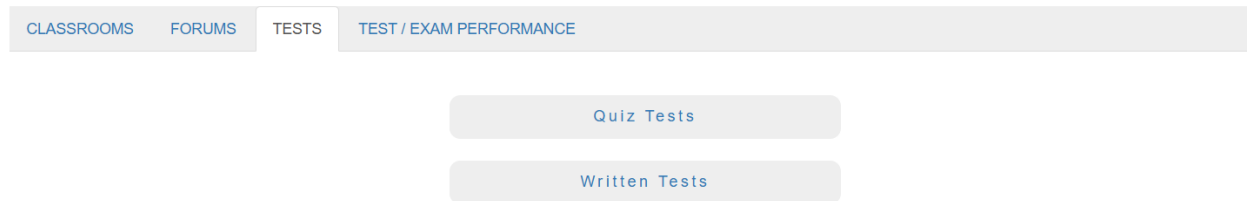

Figure 4

Under the **TESTS** tab, there are 2 buttons, viz., **Quiz Tests**, and **Written Tests**. By clicking one of these buttons, the student can take a test, and submit his / her answers; once taken and submitted, a test cannot be taken again.

4 TEST / EXAM PERFORMANCE TAB

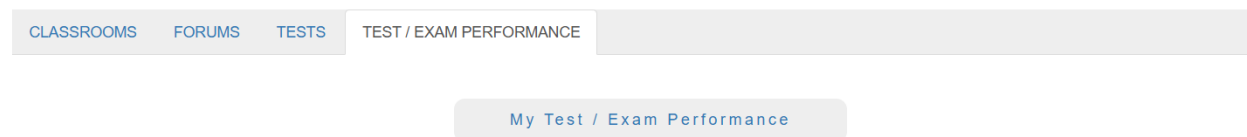

Figure 5

By clicking **My Test / Exam Performance**, the student can know the marks he / she has secured in each of the tests and exams taken by himself / herself, including faculty comments, if any, on his / her performance.

5 MY CERTIFICATES BUTTON

Clicking the **My Certificates** button in the **Student Menu** (Figure 2) reveals the following two buttons:-

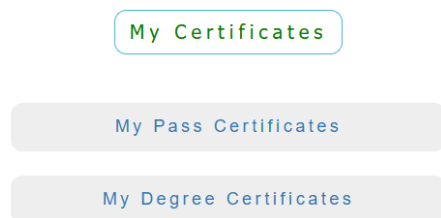

Figure 6

By clicking **My Pass Certificates**, the student can view all the Pass Certificates issued to himself / herself. Similarly, by clicking **My Degree Certificates**, the student can view all the Degree Certificates issued to himself / herself.
